

Containers for Small Parts, neoLab®

Transparent small parts container for storage and maintaining order. This container has a flip-down lid with small recesses so that several parts can be stacked on top of each other. Inside the container are 11 grooves into which intermediate walls can be inserted. This yields up to ten 18 mm wide compartments and two 38 mm wide compartments. Outer dimensions (W × H × D): 140 × 70 × 285 mm (without lid)
