

Storage and Shipping Containers, BÜRKLE

Containers made of polypropylene (PP)

Hard-wearing, largely resistant to chemicals, temperature-resistant from -40 to +90°C. Stackable to a high height, hygienic/water-repelling, smooth easy-to-clean inner walls, food compatible, can be used on roller conveyors, quiet/non-droning, fit exactly on standard pallets, safe handles, available in various sizes, stackable with or without cover, outside reinforcement ribs for heavy duty.

① Standard containers, gray

To fit Euro standard pallets, without cover, made of PP.
