

## Ground Joint Clamps, IDL

Ground joint clamps made of polyacetal (POM), Delrin®. Melting point 175°C, heat-resistant up to approx. 150°C, very good chemical resistance.

- Easy, safe and quick to fit and remove.
- Each size in a different color for easy selection.
- No glass damage.
- No bending, constant shape.
- No corrosion.
- Cheaper than steel clamps, specially for spherical ground joints.

### Type KC for conical ground joints

| for ground joint NS | Colour | Order No.   |
|---------------------|--------|-------------|
| 10                  | green  | 13 00 12010 |
| 12                  | violet | 13 00 12012 |
| 14                  | yellow | 13 00 12014 |
| 19                  | blue   | 13 00 12019 |
| 24                  | green  | 13 00 12024 |
| 29                  | red    | 13 00 12029 |
| 34                  | orange | 13 00 12034 |
| 40                  | yellow | 13 00 12040 |
| 45                  | amber  | 13 00 12045 |
